## WISHING YOU A HEALTHY AND HAPPY YEAR OF THE ROOSTER!

Happy Chinese New Year! We hope you had wonderful holidays during Chinese New Year, and enjoyed a festive time with your friends and family. We also wish you great health and happiness!

In January, we had a blast celebrating with students, teachers and parents at school. On Chinese Cultural Day, we had the chance to wear

the beautiful traditional Chinese costumes. We also ate delicious festive food prepared by the parent volunteers from the PTA. We played many exciting games and learnt more about Chinese New Year customs and history.

February is the start of the second term, let's all work hard and strive for excellence!

## Teacher Interview with Mr Chung

Reporter: Ashley (6B)

Ashley: Good afternoon, Mr Chung. Thank you for your time.

Mr. Chung: Hello, Ashley.

Ashley: Why do you like Disney characters?

Mr. Chung: When I was 9 years old, I went to Disneyland in Tokyo with my family. After that I was in love with characters, especially Mickey Mouse.

Ashley: Why do you like doing drama?

Mr. Chung: I was an actor when I was in the secondary school. I enjoy the feeling when I perform in front of the audience. When they clap their hands, I am very proud and happy. Of course, I also believe drama can help students build up their self-confidence.

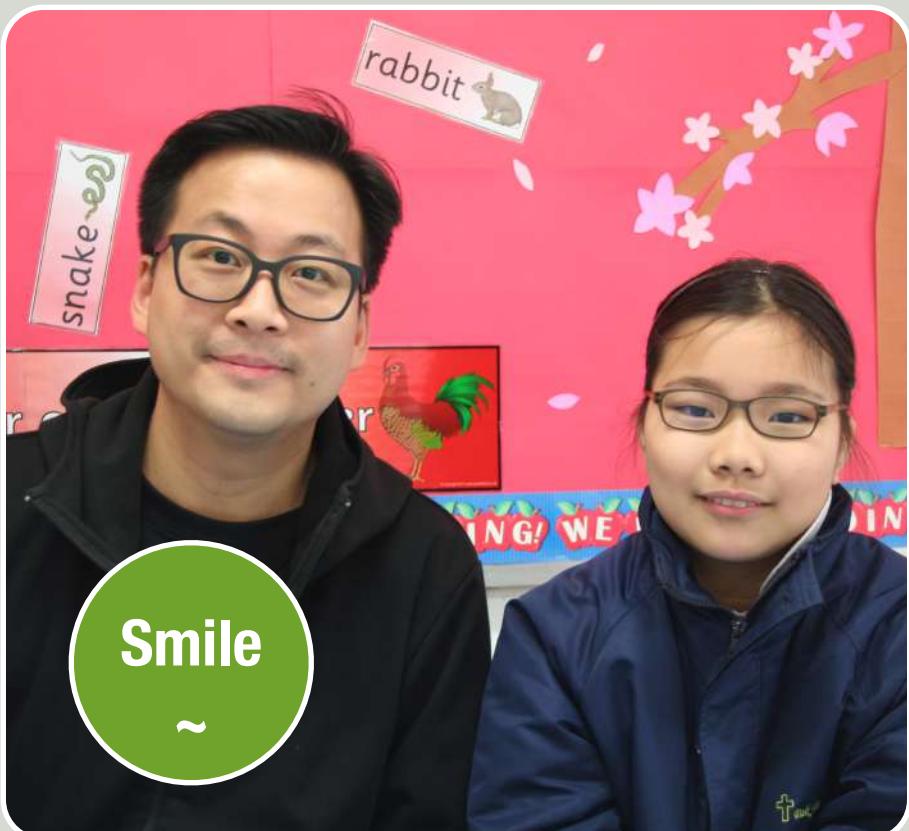

Ashley: What did you do during Chinese New Year?

Mr. Chung: I watched a great movie "La La Land". I enjoyed all the songs and dances.

Ashley: Thank you for your time.

Mr. Chung: You're welcome.

# Student Interviews

What did you do during the Chinese New Year holiday?

Oscar (4E)

I got some lucky money and I went hiking with my family. I also ate some yummy dumplings.

Lucas (2D)

I went to my friend's home to play. We played with the robots together. I also ate a lot of sweets. I like Chinese New Year very much!

Winnie (6A)

I visited my relatives in the New Territories. I also got many red packets. I got more than one thousand dollars, so I will buy some new pens and erasers. I will save some in the bank as well.
