

NOVEMBER

Give thanks and count our blessings!

November has been a fruitful month in Pak Tin. Students and teachers continue to put in a lot of effort in learning and teaching. The Annual PTA Parent-child Sports Games and Annual PTA Meeting were held with great success on 4 November, 2017. Everyone had loads of fun participating in the exciting games and cherished the great times spent with their loved ones. We also had the chance to thank last year's parent volunteers for their kindness and hard work. The Annual Alumni Gathering was also held in November. Seeing the familiar faces of the Pak Tin family is sweet and full of joy. We also had the chance to welcome the Singaporean students and be part of their exchange program. Together, we made some fantastic Chinese artwork and did exciting science experiments.

Thank you, parents!

Teacher Interview with Mrs Joei Chan

LITTLE REPORTER: HARRY (5C)

Harry: Good afternoon, Mrs Joei. If you are not a teacher, what would you like to be?

Mrs Joei: I'd like to be a traveller, because I like traveling.

Harry: What do you like eating?

Mrs Joei: I like potato chips.

Harry: Oh, I like them too. Which season do you like?

Mrs Joei: I like autumn best, because the weather is cool and dry.

Harry: I like summer, because I can go swimming. Which is your favourite book?

Mrs Joei: Well, I like all the Dr Seuss books. They are very fun.

Harry: Do you like sports?

Mrs Joei: Not really. I don't like to move a lot.

Harry: But you're very tall.

Mrs Joei: Hahaha... I don't know why. Thank you, Harry!

"I love potato chips too!"

"Good afternoon!"

We are thrilled to see you back, dear alumni!
