English Drama Team performs on stage

## Spring Time is Arrived!

Hello, dear parents and students. Are you enjoying the beautiful spring flowers and soft breeze? Pak Tin is surrounded by many dancing trees and blooming flowers. Hope you'll have time to enjoy the nature, too.

Our teachers and students have continued to work very

hard on learning inside and outside the classrooms through reading, group discussions, group activities, and self-study. We have just finished our formative assessments and will try to improve our weaker areas. In February, there were field trips to concerts, to the

Legislative Council, and to some elderlies' homes. We also had our annual PTA picnic at Sha Tau Kok. It was a pleasant day. Parents, teachers and children all had a blast visiting the farm, playing games, having lunch together, and tasting some tasty wife cakes in Yuen Long.

## Celebrating our School Birthday at St. Francis of Assisi Church

# Teacher Interview

Reporter: Jacky Lam (4C)

Jacky: Thank you for your time, Mr. Wan.

Mr Wan: Good morning, Jacky.

Jacky: Do you like Hong Kong?

Mr Wan: Yes! I grew up in Hong Kong, and there're many beautiful places in Hong Kong, like Tsim Sha Tsui and Mai Po. I love the different places in Hong Kong.

Jacky: What sports do you like?

Mr Wan: I like playing basketball, because it is a very exciting game. I also enjoy playing with my teammates.

Jacky: Do you like English?

Mr Wan: Of course, that's why I teach English. I like to talk to different people from different countries, and English is very useful.

Jacky: Thank you very much, Mr. Wan.

Mr Wan: You're welcome, Jacky.

## Which is your favourite animal?

Student  
Interviews

Justin (4D)

My favourite animal is turtles.  
They are so green and  
adorable. I want to have a  
turtle for a pet.

Tracy  
(5B)

I love koalas, because they're  
so cute and cuddly. I want to  
see a real one in  
Australia.

Tiffany  
(3C)

My favourite animal is rabbits,  
because they have red eyes and  
long, floppy ears. They are so  
cute!

## Fun Questions

1. Why does Mr Wan like playing basketball?
2. What is Tiffany's (3C) favourite animal?
